TEMPE

SPECIAL BAND CONCERT ON PLAZA THIS EVENING

Merchant's Band to Give Extra Program This Evening and to Conclude for the Sunday Concert

In the hopes that they may be able to change their Sunday afternoon concert dates to a week day night, the Tempe Merchants' band will make an experiment with a special concert this evening to be given at the accustomed stand on the city hall plaza. The players have the playing bug in the whole trouble, and very likely they'll keep semi-weekly concerts going for a while. Still some of them want Sundays off when they are not employed at special engagements, so in the hopes that a week day evening will fill the bill with the local residents just as well and possibly a little better the extra concert is being put on tonight.

Nearly every night this week the band musicians have been busy. Twice, including last evening, they traveled to Phoenix, where special practice was gone through with Dr. F. H. Redewill's organization. Two nights were also spent in local practice.

As arrangements were made a week or so ago, the Redewill and local bands will consolidate for a Sunday concert here day after tomorrow. The Phoenix musicians will arrive in the early afternoon and immediately the two bands will get together to render a short concert up town, and then retire to the ball park where selections will be given occasionally for the enjoyment of the fans and to liven up the players.

At 4:30 Sunday afternoon the two bands will be together on the town plaza where an hour's concert will be rendered for the benefit of the general public. It is hoped to have the ball game at an end by this time.

This evening's concert will be given at the city hall on the green starting at 7:45. The public is invited to attend. This will be the program:

"The Tenth Regiment".....March
"The Flirting Princess".....Medley
"Winner".....Two Step
"S. R. Henry's Barn Dance".....

"Silva".....Indian Love Song
"Pearl Feather".....

"Napanese".....Japanese Novelty
"Always True".....Waltz
"Cleveland News".....March
"Star Spangled Banner".....

MESA

Mr. Gibbons at Everybody's Drug Store will care for the news of the Mesa department. Phone 291 22 R.

HAS PERFECT STAND OF CITRUS TREES AT LEHI

The Extensive Grove Recently Planted Northeast of the City Suffers Very Little Loss.

Out of 550 orange trees set out northeast of Mesa in the Lehi valley, but two of them have refused to keep growing. P. B. Beville, of the Mesa City Nursery who transplanted the trees states that the two trees lost is a very small percentage and that the owners of the new groves are well pleased.

In the opinion of Mr. Beville the important thing in the citrus industry is that there are going to be a large number of orange groves set out next spring. The California nursery men are desirous of securing more lenient treatment at the hands of the horticultural board in order to get the foreign trees into Arizona. However, the board is insistent relative to the quarantine. It is understood that the Arizona nurserymen will continue to charge the same prices that are asked by the California nurserymen and will in no wise take advantage of the wall thrown around them by the horticultural board.

VISITING IN CITY.
Mrs. M. E. Stout of Oklahoma City is in the city for a visit at the home of Mrs. E. R. Grigg.

WILL PASS MESA BY.
Wesley Hill, proprietor of the Globe to Phoenix stage line has announced that he expected to cut Mesa off the stage line if the speed ordinance is to be enforced. He states that he can make better time by going around the town than by going through and that he will do that very thing unless he is allowed to make time through the streets. One of the Globe stage drivers was arrested by Motorcycle Cop Guy Collins, which called out the above threat relative to cutting Mesa off the map.

COMMENCED ON GIN.
Workmen under the direction of F. C. Johnson, yesterday commenced staking out the ground for the erection of the Tempe cotton gin. The contract for the erection of the building and the installation of the machinery has been let to S. W. J. Bowen and E. G. Attaway of this place. Messrs. Attaway and Bowen are practical gin men. They operated the gin at Mesa last season with splendid success after installing the plant.

SUFFERED BROKEN ARM.
Ray Nichols who runs a truck between Mesa and Phoenix suffered a broken arm shortly after noon yesterday while crossing the Tempe bridge and was hurried to the South Side Hospital at this place. He was passing another car on the bridge and ran the truck too near the edge so that the hub cap struck a cement pillar throwing the steering wheel from his hands and breaking his arm. In some manner the arm and hand were shoved down through the wheel. The car was stopped and little damage was done to it.

LOCAL CANTALOUPES NOW.
The local cantaloupes are coming in regularly now and are supplanting the Imperial valley melons. They retain their old time flavor and perfect meating. The crop this season gives promise of being unusually heavy.

PHOENIX VISITOR.
L. J. Colvin proprietor of the Hillsburg general store four miles east of town on the Roosevelt road motored to Phoenix yesterday afternoon.

TAKING INVENTORY.
A force is busy taking inventory of Everybody's drug store, preparatory to making the change. The sale is based upon its inventory. The price paid being \$300 for good will and plumbing, and Los Angeles wholesale price plus two per cent for freight. The inventory is in charge of L. P. Whitney of Los Angeles, while C. S. Dingle represents Fraser and Palmer and Judge Kingsbury represents M. L. Gibson. It is expected that two days will be required to complete the work.

ORGANIZING MOOSE.
Dr. Nelson and Walter Hayt are making a thorough canvass for the Moose organization and are securing a number of applicants for charter membership.

WILL LEAVE FOR CALIFORNIA.
Mrs. Paul Baxter Beville and children will leave next week for Giant Forest, California, where they will spend the summer among the big trees.

NEW STAGE.
The Fiske's stage line added another auto to their stage line yesterday and Guy Smith was placed in charge of the new machine.

PLEADS NOT GUILTY.
Harry H. Lacy was haled into Justice Irwin's court yesterday to answer to a charge of exceeding the speed limit. He pleaded not guilty to the charge and his hearing was set for Monday of next week at 10 o'clock.

FEWER SAINTS IN THIS STATE

Towns Called After Holy Names Abound in New Mexico — But American Names Predominate in Arizona

Saints are not very numerous among Arizona towns but they are in New Mexico.

This odd item was culled by Postmaster McClintock, while looking over some postal reports, dealing with the names of cities, towns and hamlets by the wayside. It is a strange fact that of the Arizona "Saints" there should be but half of them Mexican in name, and less than that of Mexican origin.

Saint David
Saint Joseph
St. Johns
St. Michaels

Those are the American made names and they are all of Mormon origin. San Bernardino was named by a rancher after the land he came from in California's mountains.

San Carlos, though a Mexican name was conferred by Americans. San Raphael and San Simon are purely Mexican names.

There are twelve "Sants," "Santas" and "Saints" in New Mexico. Speaking of addresses, the colonel reviewed his latest Mexicanese terms, which will be added to his lexicon, when the full volume is made up. There was a letter for some citizen of Maxima, the same being a corruption of Morenci. Geyre is Mexicanese for Sayers. Sta Xeruz is a most peculiar way of misspelling Santa Cruz, and was really intended for Nogales. Pazo Tejas is quite recognizable. American Girl California was deciphered as The American Girl Mine which is in the state west of this one.

But Guicame is the champion. It means undoubtedly Winkelman, though few would recognize it. Broccoli, for Buckeye is charming, indeed in its simplicity.

ARE WOMEN TOO WEAK PHYSICALLY TO CAST BALLOT?

Mrs. Robert LaFollette (top) and Lucy Price.

The old argument that women are not physically strong enough to bear the burden of the ballot is soon to be tested. Mrs. Robert M. LaFollette, wife of the Wisconsin senator and prominent suffragist, and Miss Lucy Price of Cleveland, O., prominent anti-suffragist, will begin a series of suffrage debates on July 1 that will last (if their strength holds out) for more than a month. They will talk every day, visiting many towns in several middle western states.

Solicitor Hugh M. Dorsey of Atlanta, who prosecuted Lex M. Frank, the young factory superintendent convicted of the murder of Mary Phagan, may decide to become a candidate for the democratic nomination for governor of Georgia in the primaries this summer.

Judge John C. Karel of Milwaukee again aspires to be the democratic candidate for governor of Wisconsin. The democratic state convention in Tennessee went on record as opposed to the repeal of any of the prohibition laws.

Not much has been heard lately of the candidacy of Charles W. Bryan, brother of the secretary of state, for the gubernatorial nomination in Nebraska.

Charles Dillingham will present Olive Wyndham in a new play next season.
